ZENITH
Next-Gen
MUSIC SERVER | STREAMER

ZEN
Next-Gen
MUSIC SERVER | STREAMER

Quick Start Guide

Thank you for buying our **ZEN Next-Gen** / **ZENith Next-Gen** and welcome to the Innuos family!

This **Quick Start Guide** will show you how to get started with your new music server / streamer. For further details, troubleshooting and help with advanced setups, visit our support page at **https://community.innuos.com/.**

At **Innuos**, we appreciate your feedback. Once you download and start using our **Sense 3** to play your music, we encourage you to register at our **Feedback Zone** at **https://feedback.innuos.com/** where you can help shape future software development by providing your thoughts and feature requests. You can also join us on social media to keep informed about events, new features and products here:
